

Spirit

iOS Application

Privacy Policy

Spirit developers only collect the minimum required data to operate our services. We respect your privacy and ensure that your mood, device linking details and usage is not identifiable to specific users.

As part of the App Store services, and only in the instance that you have opted in, analytic information is provided to us by Apple.

Google AdMob is used to serve in-app advertising which may collect metrics on usage, device details, and interactions with adverts.
